

# i594

**I Will NOT Comply**  
Olympia Rally.

WE STAND on 12/13/14 [BoldLiberty.com](http://BoldLiberty.com)

## Pass the Word. WE STAND!

**When:** 12/13/14 11AM-3PM

**Where:** The Capital, Olympia WA

On Nov 4th 2014, new gun legislation was passed in Washington that will make so much as handing your gun to a friend, a felony. We the people will not tolerate this. Our birthright is not theirs to take and our gun rights are absolute. We are done being still in the face of lawlessness.

Will you bow down and lick the boots of tyrants, or will you stand for the liberty of your children? My name is Gavin Seim, organizer of the I Will Not Comply Rally and I for one will stand, along with thousands of patriots coming from all over Washington and beyond to be bold for liberty.

We're not waiting for politicians, judges or lawyers. Our birthright is NOT to be touched. We call on our Sheriffs, local representatives and legislators to stand with us and uphold their oaths. Our Constitution is supreme law and our God given rights are NOT open for negotiation. We will uphold the law as peacefully and principled as possible, but it will be upheld.

On Dec 13th we will hold our first rally at the capital. We will hear inspiring patriot speakers, openly exchange guns, break lawless legislation and **violate i594 in every possible way**. Because ALL law that violates our Constitution is NOT law, it is VOID!

We will buy and sell guns from whom we please, we will not submit to background checks, we will not give up our rights. This is America and this is our time. Let us show the world that this people of liberty and principle WILL NOT COMPLY!
